## Education Queensland International and Cairns Language Centre Agreement:

Education Queensland International (EQI) in partnership with Cairns Language Centre (CLC) provides international students an opportunity to study a High School Preparation (HSP) program at the CLC before commencing high school in a Queensland government school.

CLC is one of Australia's longest established English language schools. CLC is dedicated to the facilitation of learning through a wide range of programs including rigorous curricula, effective

teaching, multiple leadership and service opportunities, social development activities and character-building initiatives. Its HSP program is a hallmark in Australian education.

One of the outstanding features of CLC's HSP is the integration of students into the school's homestay program. Each student receives 24-hour Duty of Care as a priority. CLC's families are experienced hosts. They work closely with CLC to ensure that the homestay and academic programs are aligned to achieve the best outcomes for the students.

In 2015, the CLC has been named 'the best language centre in the world' by The Ryugaku Journal - an influential Japanese education and travel agency. The Ryugaku Journal compiled feedback and votes from 500 students who studied English overseas before crowning the CLC with the **Japan Best School Award for 2015**.

### **HSP program at CLC:**

- The HSP Program provides the cross-cultural language and study skills needed for the international student to enter high school in his/her chosen year.
- Quality HSP Program with rigorous curricula, specialist

subject focus (i.e. science and mathematics), high school integration, social development activities and character-building.

- The HSP programs (I, II and III) are offered to international students aged 12 to 17 fulltime for up to 30 weeks (10 weeks/course). It is highly flexible and students are able to start any Monday.
- Tuition in small classes of 25 hours (30 lessons) per week from Monday to Friday.
- The program is designed for students to meet the English language entry criteria for their high school program at EQI schools.

**Students have to meet the following English language entry criteria for entry into Queensland government high schools:**
