

Our English for Academic Purposes (EAP) course is designed to help international students to develop the skills required to undertake further studies in Australia. You will learn how to complete the types of tasks and assignments required at university and college in Australia, giving you a thorough preparation for your next step in an English-speaking academic environment.

Choose this program if:

- You want to learn about the culture and expectations of studying in an English-speaking environment in Australia
- You want to develop skills such as effective essay-writing, joining class discussions and giving presentations
- You want to improve your proficiency in areas such as referencing, speed-reading and effective note-taking.
- You want access to a wide variety of self-study tools outside of your classes
- You would like to receive a certificate at the end of your studies

Your classes:

English classes

Our EAP classes focus on helping students to develop the language skills and academic proficiencies necessary for success in an academic context.

Study Clubs

Students can access a wide variety of opportunities for extra study, allowing you to focus on areas of interest or weakness, practice using English with other students and to make new friends. Study clubs which are regularly offered include:

- Conversation club
- Presentation club
- IELTS speaking club
- Song club
- Games club
- Cambridge Exam club

Students can also use a wide variety of self-study material as part of the study club program, including the K+Tools and K+Extra online study tools. These tools allow students to better focus their studies on their areas of interest, to more easily review lesson topics and to access high-quality study materials, either in the study centre or on most other personal devices.
